The SE² 10th Birthday Photography Competition

To celebrate our 10th birthday, SE² is running two competitions - a photography competition and a short story competition - both on the theme of sustainability.

The competition's overall theme is **'the climate change conversation'**.

The photography competition first prize is £150, with two runner-up prizes of £75.

The competition is open to amateur photographers.

To enter the competition, email your photo(s) to photo@se-2.co.uk by midnight on **Friday 30 May 2014**.

Entrants can submit up to 5 photographs. The judges will be looking for images that combine technical quality and strong composition with a way of communicating the competition theme that is creative, original, and likely to have a big impact.

All entries will be judged anonymously so please do not sign them in any way. Entries must be the original work of the entrant, must not infringe the rights of any other party and never previously been published, online or offline.

All entrants are asked to ensure they have read all **Rules and Guidelines** before entering.

All entrants will be informed if they have been shortlisted by **Friday 27th June 2014**, by email. The winners will be announced at our 10th Birthday Party in July (date TBC).
